

## **Our Vision**

To share the best of mentoring and leadership solutions to unlock the great potential in both enterprises and enterprising people

Our members are entrepreneurs, mentors and business leaders who know building collaboration and capability leads to confidence and growth in both business and in life

### **Our Vision of Being the Best means:**

- **Capability** - Being the best at creating mentoring impact by being the UK exemplar in supporting new and existing mentoring programmes through best practice models and practical interventions to increase capability
- **Confidence** - Creating the right environment and training activities for entrepreneurs, business leaders and mentors, mentor managers, champion mentors and mentor ambassadors to gain Engagement, Skills, Knowledge and Confidence at all stages of their journey.
- **Collaboration** - Making a wider difference to enterprising people through our partners and our collaborative national & international community

### **Our Members support this vision and values by:**

1. Delivering Excellence through positive Relationships and Collaboration
2. Embracing and Creating Opportunities for all
3. Making the Journey Fun
4. Being Adventurous, Creative, and Open-Minded
5. Pursuing Growth and Learning for self and others
